

**The University of British Columbia**  
**Faculty of Medicine**  
**2018 BILL AND MARILYN WEBBER LIFETIME ACHIEVEMENT AWARD**  
**Deadline: Monday, April 16, 2018**

*The Bill and Marilyn Webber Lifetime Achievement Award recognizes extraordinary members of the Faculty of Medicine who have sustained distinguished careers at UBC.*

**Nomination Process**

These awards are open to Professors, Professors Emeritus/Emerita, Professors of Teaching, Clinical Professors and Clinical Professors Emeritus/Emerita in celebration of an outstanding career. Nominees must have held an appointment at UBC for at least 15 years. At the time of nomination, the recipient must be an active member of the UBC Faculty of Medicine.

Awards will be made in recognition of sustained scholarly achievement in the areas of research, teaching and/or service as defined by the guidelines for promotion in the Guide to Promotion & Tenure Procedures at UBC.

Nominations will be made by any three Professors, Professors Emeritus/Emerita, Professors of Teaching, Clinical Professors or Clinical Professors Emeritus/Emerita in the Faculty of Medicine. To avoid duplication, the Dean should be informed of the intention to submit a nomination and the name of the proposed nominee. A nomination form (attached) should be accompanied by a letter from the nominators, the curriculum vitae/publication list of the candidate, and up to four external arms-length letters of reference addressing the criteria of the Award. Referees should be individuals of stature in the Nominee's area of interest. Nominators will complete all documentation and submit the completed nomination package to the Dean. After checking for eligibility and completeness, the Dean will forward dossiers to the Adjudication Committee.

The nominators must also indicate that the nominee has been informed of the nomination and is willing to stand.

Nominations must be submitted to the Dean of Medicine's Office (IRC) no later than 4:30 p.m. on Monday,, April 16, 2018. This is a strict deadline.

**Nomination General Guidelines**

Provided that the nomination package is updated every year, nominations will stand for three consecutive years. It is the nominators' responsibility to keep a nomination current. The Adjudication Committee will resolve questions concerning eligibility. An Award may not be granted every year. The identities of the nominees will not be made public unless they win the award. Decisions made by the Adjudication Committee are final and may not be appealed. Posthumous awards will not be made. Nominators should not expect members of the Dean's Office or Adjudication Committee staff to assist with the preparation of a nomination beyond general advice concerning the regulations and proper forms to use; nor will they offer opinions as to a nomination's chances of success.

**Judging Criteria (to be addressed in reference letters)**

- Evidence of distinguished scholarly activities sustained throughout the career.
- Nominee remains active.
- Evidence of the character and effect of the Nominee's major contributions.
- Evidence of the Nominee's level of national and international recognition.
